- Skills in learning and interpreting assignments, procedures, rules, and regulations
- Skills in encouraging and tutoring students
- Skills in communication in two languages (English, Spanish, etc.) if applicable

Work Environment:

The work environment characteristics described are representative of those an employee encounters while performing the essential functions of this job. The employee is confined to a work area; required to have precise control of fingers and hand movements; experiences constant interruptions and inflexible deadlines; and must be able to stoop, crouch, crawl, bend, kneel, stand for periods of time, and lift in order to assist a student with personal care. The employee is required to deal with distraught and/or angry persons and is exposed to infectious diseases carried by children. The noise level in the work environment is acceptable to this particular environment and can vary depending upon daily activity but will remain within acceptable ranges.

Evaluation:

This position shall be evaluated periodically by the Building Principal pursuant to the currently established district procedures and evaluation criteria. The process shall include an evaluation of the employee's performance of the above essential job functions.
