Randy Dilbeck, Principal

February 9, 2021

Dear Seniors:

We are beginning the process of compiling the 2021 Senior Slide Show to be shown at our end of the year celebrations including graduation. These are special occasions for you and we would like all seniors to be included in the presentation.

Please email or bring to the main office an **elementary age picture and your favorite senior picture (Not a baby picture)**. I will already have your panel picture if you took one. You may send them in any of the following formats:

1. Email your pictures to **lenaburgk@tecumseh.k12.ok.us**. If you email them, **please include the name of the senior**, then **confirm with me** that I received them. Sometimes it is best to email them one at a time because our server rejects a large file.
or
2. Place the pictures on a **flash drive and bring them to Mrs. Lenaburg or the main office**
or
3. Or I can scan them and return them to you; place the pictures in a zip lock bag with your name clearly labeled on the bag.

Texting your pictures to me with a picture of a picture does not transfer with good quality. Bring them to the high school main office.

Remember: 2-4 pictures—senior or current pictures and an elementary picture
Email, flash drive, or bring them in a labeled zip lock bag. They can be picked up within a week.

Deadline: March 22

Sincerely,

Karen E. Lenaburg, MBA
