Morgan Patrick
Asst. Principal
660-678-4511

Chilhowee Families,

Due to the number of quarantines that have occurred during the past week, the Chilhowee School District has made the decision to transition to virtual classes for the remainder of the week (Wednesday, February 10th through Friday, February 12th). We do this simply for the safety and well-being of our students, their families, our staff, and the community in general. Our goal is to have all staff members in the building throughout this virtual learning period (weather depending). Please do not hesitate to reach out to teachers, principals, and/or me. If your child should need to contact Mrs. Dillon, our school counselor, please feel invited to reach out to her. She is prepared and happy to schedule a time to meet with students via email, phone call, or even in a virtual discussion. You can reach teachers, principals, our health clerk, and Mrs. Dillon by calling 660-678-4511 (ext. 2). You can reach me in the Central Office by calling 660-678-2511 (ext. 1). Please also feel welcome to email us. The district email directory can be located here: <https://www.chilhowee.k12.mo.us/staff>

Below are some things to know for the remainder of the week:

- Chilhowee R-IV strives to make it a priority to serve our students in every way possible. The following programs will continue Wednesday through Friday unless we cancel due to hazardous weather conditions.
 - Meals will be served from 11am to 12pm.
 - The Learning Club will be in session for those K-6 children whose families lack child care. Please call the school to communicate if your child will be attending the Learning Club.
 - We will still transport students to the Warrensburg Career Center for Vo-Tech. Students should arrive at the building between 11am - 11:15am to be transported to Vo-Tech.
- Both home basketball games for this week have been cancelled. The away game in Calhoun on Friday is currently still scheduled as planned.
- For those families who lack the necessary internet service to facilitate their child's participation in live virtual classes: we have a limited number of mobile hotspots that families can check out (just as a student would check out a library book or athletic uniform).
 - To check out a mobile hotspot, please call the school and schedule a time to pick up a hotspot.

To summarize: Monday & Tuesday of this week have been weather related cancellations. On Wednesday, Thursday, & Friday we are transitioning to live virtual classes due to the high number of quarantines and positive cases in the school and community. Please see the attached virtual learning schedule.

Sincerely,

Joe Murphy
Superintendent
Chilhowee R-IV School District

JH/High School Staff Prep for Adjusted Schedule:

| JH/High School Virtual Schedule | |
|---------------------------------|----------------------------|
| Time | |
| 8:00-8:25 am | 1st Hour |
