

## School Procedures for Hybrid Learning

During hybrid learning, students will attend two days of school in person, and two days on line.

Upon entry to the school building, every person will go through the following procedure:

- Temperature check - If 100.3 or higher, the person will not be admitted and must go home.
- Students will be asked if they have any of the following symptoms:  
\*cough \*chills \*body aches \*trouble breathing \*intestinal upset \*loss of taste or smell  
If yes to any symptom, student will not be admitted and must go home.
- Students will be asked if they have had contact with anyone known to have covid -19.  
If yes, student will not be admitted and must go home.
- Students will be asked if they have traveled out of Umatilla County in the last two days. If yes, this will be recorded for future contact tracing, if the need arises.
- Students not admitted due to fever, a symptom, or exposure will wait on the outdoor bench, in front of the school, and have no contact with others.  
If a student does not have a phone to call for a ride, the school office will call a guardian.
- A BinaxNOW rapid test will be available at Yellowhawk for students not admitted to school.
- Students who become ill during the school day will wait in the health room until a guardian arrives to take them home. A guardian will be called by the student on their cellphone, or school staff will call a guardian.
- A student or staff member who becomes ill during the day may elect to have the BinaxNOW rapid test. A Yellowhawk nurse will come to the building to administer the test.
- All persons entering the building will need to apply hand sanitizer. Hand sanitizer will be placed in the five main areas of the building. All persons moving from one area to another, including classrooms, will need to apply hand sanitizer.
- All persons will be required to wear a mask at all times, except when eating or drinking.
- All persons will be required to maintain at least six feet of distance between other persons.
- Students will use their own materials that will be kept in a pencil pouch or back pack.
- All students will sit at the same desk in each classroom every day.
- At the end of each class period, students will wipe their desktop with a sanitizing wipe.
