February 10, 2021

Dear North Little Rock School District Parents and Caregivers,

As we communicated earlier today, we have been monitoring the weather models that show we are to expect some dangerous conditions over the coming days. The safety of our students and staff is always our top priority. We will always go above and beyond to ensure their well being.

Due to the expected inclement weather, the North Little Rock School District will shift to **100% virtual instruction for Thursday, February 11, 2021. Therefore, there will be no on-site instruction and no after-school activities as all schools and Central Office sites will be closed.**

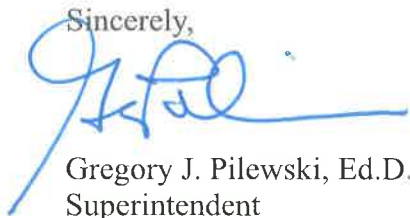

In addition, virtual Parent-Teacher Conferences originally planned for tomorrow evening have been rescheduled for **Thursday, February 18, 2021, from 4:00 p.m. to 7:00 p.m.** Additional information will be forthcoming from individual school sites.

Although tomorrow will be 100% virtual instruction, students will be required to log in to Google Classroom for attendance and to complete assignments. All students will follow their school's attendance plan that is used on Virtual Learning Fridays. Principals will provide additional details as needed.

We understand that this weather event could bring power outages to our community. Due to extenuating circumstances and at the discretion of the school principal, students may have up to five days to complete assignments upon return to campus.

We would like to remind everyone to remain safe. Thank you for entrusting your children into our care.

Sincerely,

Gregory J. Pilewski, Ed.D.
Superintendent
