Rev It up 4 Kids is an interactive, outdoor event that allows children to see, climb and explore their favorite trucks, heavy duty equipment and vehicles! Bring your family to enjoy a fun filled day with music and food trucks too! Each vehicle will be staffed with a trained operator. For children with special needs or sensitive ears, 11am-12pm will be horn free hour, with no honking or sirens allowed.

This event is held to bring awareness to child abuse and is presented by Satilla Advocacy Services (SAS), a 501c3 non-profit Agency that has provided services to victims of child abuse and sexual assault for over twenty-six years.

Special thanks to our hometown heroes (local emergency personnel, business owners and volunteers) for providing these unique vehicles for the event.
