

School Health Info Fall 2021

Oakwood School District #76

Oakwood CUSD now requires students to complete physical and immunization requirements to attend school on the **FIRST DAY**

Frequently asked questions:

My child had a physical last year, is it still good?

- The exam date of the school physical must be within 1 YEAR of the start date of the 2021/22 school year. (Tentative first day is 8/23/21 so the oldest date for a physical is 8/23/20).

When do I have to have the physical/immunization turned in by?

- The sooner the better! Right now is a perfect time to work on these compliance needs before the Doctor's appointments fill up. **Students will be excluded from school starting on the first day until all needed information is submitted.**

Do I have to provide a mask for my student?

- Yes, it is an expectation that ALL STUDENTS and STAFF wear face coverings at all times while in the buildings. Please provide cloth face coverings for your students. Washable ones are best so you can do so as needed. We recommend at least 2 or 3 per child. The

district will provide masks if a student does not have one when arriving at school. All COVID-19 related guidelines are subject to change pending any new guidance from IDPH.

Requirements by grade level:

Kindergarten students require:

- **School physical** & immunization record
- Required **immunizations**: complete series of Dtap, Polio, Hep B, MMR & Varicella
