The superior teacher demonstrates. The great teacher inspires.”*

LYNDONVILLE CENTRAL SCHOOL
2020-21 Elementary & Secondary

Educators of the Year

Recognizing OUTSTANDING achievement in education at LCS.

The Nomination Process

Students, former students, parents, colleagues, administrators, or members of the Lyndonville community may nominate teachers for this honor.

Nomination packets are available at the District's main office as well as on the district website (www.lyndonvillecsd.org). All nominations must be returned to:

Lyndonville Central School, Central Office
Educator of the Year Selection Committee
25 Housel Avenue
Lyndonville, NY 14098

The nominated teacher must meet the eligibility requirements outlined. Three finalists will be chosen from the pool of nominations.

The number of nominations a teacher receives has little to do with selecting a finalist. When nominating a teacher, it is important to highlight examples that illustrate the candidate's dedication, knowledge, and skill as a teacher, as well as their ability to go above and beyond what is expected inside and outside of the classroom.

Upon verification that the nominated teacher meets the required criteria, the nominator (with help from the administration if requested) must submit 2 additional letters of support to complete the nomination process. These should come from peer groups different than that of the nominator. Cover letters are included in this packet.

The Selection Process

An impartial selection committee comprised of the former teacher of the year (after initial year), a high school student council member, an elementary leadership club member, a PTSA representative, one representative from each area (Elementary, Secondary, and K-12 Specialty Teacher), a school board member, an administrator, and the superintendent, selects the *Educators (one elementary and one secondary) of the Year* from those nominated.

The winner will be announced annually, at the regular meeting of the Board of Education in June. The *Educators of the Year* will receive a \$1,000.00 district grant, as well as a plaque

commemorating their achievement. The grant may be used for any educational initiative or project within the winner's school, classroom, program, or department.
