

Hello, Parents and Guardians of HS Students,

Please use these Zoom links for High School Parent Teacher Conferences. **The standard high school conference time is from 4:00-7:30 pm on February 18th. February 24th will be used to schedule conferences with families.** If a teacher is having them at a different time, it's noted below. You will be placed in a Waiting Room when you log into Zoom. It works just like "sitting in the hall" during regular conferences. When it is your turn, the teacher will let you in.

Check PowerSchool and/or Schoology to see what classes and teachers your child has this quarter. If you know the COHORT of your child, we've also listed those teachers here. Note there are some juniors/seniors who will have different teachers than listed in their cohorts.
