

It's "Survey Selfie" time! You are invited to take the 5Essentials Survey. The 5Essentials Survey identifies five indicators that lead to improved outcomes for all students, including improved attendance and larger test score gains. The five indicators that positively affect school success are: Effective Leaders, Collaborative Teachers, Involved Families, Supportive Environments, and Ambitious Instruction. Research derived from the Five Essentials for School Success has proven that schools strong on at least three of the 5Essentials are 10 times more likely to improve student outcomes. The survey will be open February 23, 2021 through April 2, 2021 for all parents. If you complete the survey and email a "selfie" to the Principal, you will be entered into a raffle for the chance to win a gift card. Here's how it works:

1. Log on to the survey link: <https://survey.5-essentials.org/Illinois/>
2. Type in your email address
3. Type in Cook for the County
4. Type in Algonquin Primary Center for the School
5. Complete the survey (this should take about 15 minutes)
6. Before you exit out of the survey, take a "Selfie" in front of your computer.
7. Email your Selfie to the Principal at: icolbert@sd163.com (Be sure to include your name, your child's name, and your child's teacher's name in the email.) You will receive a confirmation (via email) that you have been entered into the raffle.

***Gift Cards will be awarded in early April, before spring break. The "5 Essentials" survey closes on April 2, 2021...don't delay! For more information on the survey, please visit:
