

GREENVILLE
CENTRAL SCHOOL DISTRICT

Tammy J. Sutherland
Superintendent of Schools

February 12, 2021

Dear GCS Families, Faculty and Staff,

The District was informed late this afternoon that a middle school student has tested positive for COVID-19.

The last time that this individual was on campus was Wednesday, February 10th. Per our health and safety protocols, Greenville Central School District has been in communication with the Greene County Department of Health to assist with the contact tracing process. Parents of students who are identified as being potentially exposed will be contacted by both the District and the Department of Health.

Privacy laws restrict the District from disclosing or confirming any personally identifiable information.

It is important to continue to maintain personal awareness of COVID-19 symptoms and get tested if experiencing any symptoms.

Sincerely,

A handwritten signature in black ink, appearing to read "Tammy J. Sutherland", written in a cursive style.

Tammy J. Sutherland
Superintendent of Schools
