***NEW BUSINESS***

**Hire Custodian - Mark Campbell**

Superintendent Klasna explained to the board Sharon Howard turned down the custodial position that was offered last month. Mr. Campbell was the other applicant that was interviewed for the position. He is qualified and recommended for hire. His start date would be September 6<sup>th</sup>. Trustee Coffman made a motion to hire Mr. Campbell as presented. Trustee Ketchu seconded the motion. All members present were in approval.

**Approve Substitute Staff Listing**

The substitute staff listing was presented for approval. The principals explained there are several new candidates that have a lot of teaching experience, especially in math and science. Trustee Funston made a motion to approve the list as presented. Trustee Coffman seconded the motion. All trustees present were in approval.

**First Reading Board Policy 3350**

Superintendent Klasna informed the board we don't have a policy addressing home school student's participation in activities. He felt it is a privilege to be offered to full-time students. MHSA requires a student be in class for twenty hours per week in order to participate. They also allow schools to set stricter policies. There is case law supporting full-time requirement for participation. The attorney reviewed the policy and gave his approval. The board discussed the problems with allowing a part-time student to participate. They felt eligibility and attendance policies would be issues and agree that the student would need to be enrolled as a full-time student. Trustee Coffman made a motion to approve the first reading of Board Policy 3350. Trustee Inman seconded the motion. All members present were in approval.

As there was no other business the meeting was adjourned at 5:20 p.m.
