HOME OF THE PIRATES

February 15th, 2021:

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2020-21 educational progress for the Peck Community School District and our schools. The AER addresses the complex reporting information required by federal and some requirements of state laws. Our staff is available to help you understand this information. Please contact the Superintendent's office for help if you need assistance.

Peck Community School District's AER is available for you to review electronically by visiting the following web site <https://bit.ly/2ZfGHRw>, or you may review a copy in the main office at your child's school. Each school will also be communicating their own AER to parents directly.

These reports contain the following information:

Teacher Qualification Data

- Identifies the number and percentage of inexperienced teachers, principals, and other school leaders
- Reports teachers who are teaching with emergency or provisional credentials
- Includes teachers who are not teaching in the subject or field for which they are certified

NAEP Data (National Assessment of Educational Progress)

- Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8

Civil Rights Data

- Provides information on school quality, climate and safety

HOME OF THE PIRATES

Review the table below listing our schools. For the 2019-20 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has a student subgroup performing at the same level as the lowest 5% of all schools in the state. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no status label is given.

School Name	Status Label	Key Initiative to Accelerate Achievement
Peck Community Schools	No Label	Begin MiCIP Implementation
Peck Elementary	No Label	Same as Above
Peck Jr/Sr High School	No Label	Same as Above

Peck Community Schools are proud to support our community with excellent resources for all students. We have seen tremendous achievement and growth over the past five years thanks to dedicated parents and staff who work tirelessly to improve the quality of education in our community. We look forward to working together to raise the standards even higher over the next five years. Go Pirates!

Sincerely,

Bill Kerr
Superintendent
