

When does ASP start? What are the times?

As our school districts transition into in-person, 5 days a week learning, we also have to make some changes to the Y Academy program. Our program will become **STRICTLY** an after school program beginning March 1, 2021. We will no longer be offering any kind of e-learning services. After school will continue to be held at The Crossing Church and United students will continue to be bussed to the program. During the month of March our ASP will be from 12:30pm-5:30pm as Monmouth-Roseville will be in school until 12:30. Once April approaches we will offer ASP from 2:00pm-5:30pm due to Monmouth students' school hours going to 2:00pm.

What is the plan for activities/calendar?

I am planning on continuing to take the students to the YMCA for swim/gym when we are able to. Keep in mind that United students might not get to swim due to their schedule and the YMCA pool schedule. I will continue to have fun holiday activities for the students and as the weather warms up we can go to the park again.

Who do we contact during after school hours?

My coordinator, Cassandra Avendano, will be your main point of contact for any afterschool questions once the program begins. I will be at the program here and there, however, I will be transitioning even more into my new role at the YMCA where I will need to be in my office more. You can always reach me if you have concerns or questions about the after school program as I will still be in charge of the program. Cassandra is on the "Remind" app if you haven't already downloaded it. You can contact her through the app or her cell phone at 309-536-2336.

How do we get our child(ren) signed up for the program?

If you are interested in sending your child(ren) to our afterschool program, please contact the Warren County YMCA front desk to get them registered. You can also contact me and I will get them registered as well.

Here are the prices will work for ASP for **ALL** ASP families:
