RISING 9TH GRADERS: MHS ELECTIVE REQUEST FORM 2021-2022 School Year

STUDENT NAME: _____ DATE: _____

Instructions:

Students must select four elective options, but only one will be scheduled. Please order the electives between 1 and 4 (assigning 1 means that the elective is most preferred), but note that **there is no guarantee that students will be placed in their first choice elective**. Although every effort is made to place students into their first choice, variables such as class size, section availability and period conflicts play a role in determining which elective a student is given.

A student must take a 5 credit elective class period during their freshman year. Students should select **two** 2.5 credit courses to equal one 5-credit course if they are interested.

Note: Band, Orchestra, and Choir classes can accommodate large numbers and do not require alternate choices. In the rare event that a conflict arises with a major academic course and one of these courses, students and parents will be notified to discuss options.

Indicate 1, 2, 3, or 4 for order of preference (1= most preferred elective)	EXAMPLE OF HOW TO COMPLETE THE FORM	
	<u>Elective</u>	
1	Music in American History	Photography/Digital Media 1
2	Business Information Management	Digital Marketing
3	Band
