November 23, 2020

Good afternoon Bulldog Families,

We will be staying in our current hybrid model for next week, the week of Nov 30-Dec 4.

Current situation:

- 12 students positive
- 1 remote student positive
- 117 quarantined today, 119 total (2 remote students)
- 14 of those are staff
- 7 of those staff will be back on Dec 1 (with no new cases)

All this being said, circumstances could arise, over the Thanksgiving holiday, where it is necessary to make a decision to go fully remote next week. These circumstances could include more staff in quarantine, a large number of cases that arise over the weekend and we aren't able to keep up with contact tracing/communication, or something else that is not foreseen at this time.

Thank you for your continued flexibility as we continue to move ahead through the first semester!

Happy Thanksgiving!

Very sincerely,

Dr. Lindsey A. Hall

Superintendent of Schools
