October 29, 2020

Hello Bulldog Families,

I am sharing some important information about our calendar and about school closure due to winter weather.

CALENDAR INFORMATION:

- There is no school or instruction of any kind on Tuesday, November 3, which is Election Day. This is now a state holiday in Illinois.
- There is no school or instruction of any kind on Monday, November 23 and Tuesday, November 24. These are Remote Learning Planning Days. Our staff will be working on these days.
- There is no school or instruction of any kind on Monday, January 4 (Institute Day) or Tuesday, January 5 (Remote Learning Planning Day). Our staff will be working on these days.

SCHOOL CLOSURE DUE TO WEATHER

As the weather gets cooler, we know that winter is on its way. This year, "snow days" will look different than they have in the past. The Illinois State Board of Education is allowing school districts to use Remote Learning Days on the days that schools must be closed for weather related reasons. Parents will receive more information about what this looks like in the coming weeks, but I wanted to let you know about this change. In doing this, we will not need to add any snow days on to the end of the school calendar in May to make them up.

I hope that your family has an enjoyable and fun Halloween, whatever your plans are for the weekend--please stay safe.

Thank you!

Dr. Lindsey A. Hall

Superintendent of Schools
