February 14, 2021

Dear Bulldog Families,

Happy Valentine's Day!!

COVID 19 drive through testing is cancelled for Monday, February 15, 2021 due to the forecasted weather conditions. We are currently under a windchill advisory as well as a winter storm warning for Monday. Thank you for your understanding.

If your child(ren) is showing COVID 19 symptoms on Tuesday morning, as always, do NOT send your student(s) to school. You can make an appointment to have your child(ren) tested at any of our buildings on Tuesday during the school day by contacting the building directly. If you make an appointment during the school day, our Health EOP's will meet you at your car to conduct the test.

This week only, Mahomet-Seymour HS staff and students will need to be tested at one of our other buildings. You can do this by contacting the Health EOP, listed below in each building:

Stacy Fisher, Middletown Prairie Elementary, sfisher@ms.k12.il.us

Katie Taylor, Lincoln Trail Elementary, ktaylor@ms.k12.il.us

Tara Pawlak, Mahomet-Seymour Jr. High School, tpawlak@ms.k12.il.us

We have been testing well over 500 students and staff on Mondays since January 4, 2021. We thank you for your diligence in getting your child(ren) tested as it is helping to keep our learning environments safer.

If you have any questions, please feel free to contact District Nurse, Nita Bachman at nbachman@ms.k12.il.us, or (217) 493-0699.

Thank you!

Dr. Lindsey A. Hall

Superintendent of Schools
