Good evening Bulldog Families,

This email is to notify you that **Mahomet Seymour High School** is taking an adaptive pause and switching to fully remote learning on Thursday and Friday, February 4 and 5. I apologize for the late notice, but this switch to remote learning is due to some of our staff members being quarantined. This is only for Mahomet-Seymour High School, all other buildings will remain on their regular schedule.

The shortage of staff at the high school will not enable us to continue to clean and disinfect the school according to our cleaning protocols to support students being in the building.

As this relates to extracurricular activities, parents and participants will be notified of any changes to schedules if those occur. The remote schedule for our high school students will be sent in a separate email.

Thank you!

Very sincerely,

Dr. Lindsey A. Hall

Superintendent of Schools
