Hello Bulldog Families and Happy Monday!

There are new/updated travel and quarantine guidelines posted on our website. There are more opportunities to travel now that the state is opening up, and of course spring break is coming.

Here is the link:

These are the guidelines that families are expected to follow. We do not have the time or resources to follow up on this type of thing, so it is 100% on the honor system. Following the travel and quarantine guidelines contributes to the overall health and safety in our schools. And, please remember that COVID 19 testing is available for students on Mondays in our drive through location at MSJH, and on Tuesday-Friday in our buildings.

Thank you!

Very sincerely,

Dr. Lindsey A. Hall

Superintendent of Schools
