Good evening Bulldog Families,

Today, we tested 507 individuals for COVID 19 at our drive through testing site at Mahomet-Seymour Jr. High School. The attached letter summarizes the findings for each building. This letter is being sent out from the district, and not from each building, since all buildings are impacted.

[COVID 19 Information for 1/11/21](#)

You can sign up for testing on Monday, January 18, 2021 and other Monday testing dates by visiting our website:

We strongly encourage our students and staff to be regularly tested for COVID-19, as it is part of our safety and mitigation protocols.

Thank you!
