

**As the world becomes increasingly digitized,
children become more vulnerable to risks.
The Illinois Internet Crimes Against Children (ICAC)
Task Force is committed to creating a world where
children are safe and protected from online exploitation.
Please join our upcoming webinar!**

"Maintaining a Safe Online Environment"

Please register in advance for either date offered. Feel free to share!

Wednesday, February 24, 2021 @ 6:30 P.M. (Central Time)
