**Philosophy of the Program** We believe that all children are unique individuals and have a right to learn within a safe, healthy, nurturing, and secure environment. This environment, composed of parents, teachers, preschool aides, and the community, promotes the positive self-concept and self-expression of the children. A developmentally appropriate, play based curriculum is designed according to the interests of the children. The curriculum is composed of quality experiences in language, art, music, motor skills, social-emotional, and intellectual development. A qualified staff of early childhood educators transforms each classroom into a place for children to grow and develop at their own pace. The staff is provided with ongoing educational opportunities to enhance their skills. Teachers are an active part of the learning process. The teacher acts as a facilitator, interacting where needed to enhance the learning environment. Learning takes place not only within the classroom walls, but also on the playground as well as within the community. Learning begins with parents; therefore parental involvement is encouraged. Because the diversity of all families is valued and celebrated, parents are encouraged to share their culture within the classrooms. Working together, parents and teachers provide a quality program for young children. Communication between home and school is of utmost importance. Parents and teachers share successes as well as concerns in order to meet the changing needs of the child.

**Curriculum** Pinckney Community Education Preschool program follows the State of Michigan Standards of Quality for Early Childhood Education. We provide a warm, nurturing setting that encourages children to learn through developmentally appropriate hands-on learning experiences. Our structured and literacy-rich environments allow children to explore the world around them, while they grow socially, emotionally, and academically. With learning concepts in math, science, language, literacy, music, and art, our students are exposed to many educational experiences. A Pinckney Schools preschool experience includes exploration with cooperative learning and playing with peers. Focused on kindergarten-readiness, our certified early childhood teachers consult with our kindergarten teachers in order to provide children with important kindergarten-readiness activities, especially those which are focused on pre-reading and early writing experiences. Set within our district's elementary buildings, our students are exposed to and become familiar with what our quality buildings have to offer. We believe in a strong correlation between parental involvement and student educational success and, therefore, welcome parental involvement in our State of Michigan licensed classrooms.

**Criteria for Admission** Eligibility for enrollment is as follows:

Three year-old Program—3 years of age by September 1, 2021

Four year-old Program—4 years of age by September 1, 2021

**All children in the preschool program must be completely (and independent) toilet-trained. No Diapers or Pull-ups.** Preference is given to children currently enrolled in our program. In addition to completing the registration paperwork, a health appraisal form sign by the doctor and up-to-date immunization records are required. Once the program is filled, a waiting list will be started. As openings become available, children will be admitted to the program on the basis of the following criteria:

1. Position on the waiting list.
2. Child's readiness for preschool.
3. Group dynamics in the context of the child's behavior and developmental characteristics.

**Registration Fees** Registration is completed online at [pinckney.ce.eleyo.com](http://pinckney.ce.eleyo.com). A registration fee must be paid to complete the registration. This fee reserves your child's place in our program. When a child is registered, we assume it is for the entire year and our budget is so planned. The registration fee of \$50.00 is nonrefundable and nontransferable.

**Class Structure** The preschool program operates from September – May. The program follows the Pinckney School Calendar. A preschool calendar is included in welcome letters to parents.

**Tuition** Preschool is a self-supporting program and we do not receive State funding to operate the program. Invoices will be emailed to parents and are due the first Monday of the Month from September through May. A \$25.00 late fee is applied to accounts if the payment is not received by the 15th of the month.

**Withdrawal/Termination** The building principal has the right to suspend and/or expel any child who exhibits destructive or inappropriate behavior which interferes with the quality and/or process of the preschool program. This will not be done, however, without prior consultation with the child's parents or guardians. The child may be withdrawn from the program after the conference, either at the request of the parent or the principal of the preschool program. Any prepaid tuition which has not been used by the date of withdrawal will be refunded. Any tuition due will be billed to the person responsible for the tuition. A child's attendance may also be discontinued if the parent does not abide by our published tuition policy. Students that need to withdraw from the preschool program may be withdrawn with a minimum of two weeks' notice. If any prepaid tuition has not been used, a refund will be made. Refunds or prepaid tuition may be forfeited with less than a two week notice.

**Clothing/What to Wear** Think of your child's comfort and provide simple clothing that is free of complicated fastenings. We get involved in activities and should not be overly concerned with staying clean. Dresses with ruffles and bows and pants with difficult belts and fastenings should be avoided. Footwear such as sandals, jellies and clogs are not recommended for active play. We go outside, weather permitting, every day, and your child will need clothing that is sturdy and appropriate. Provide sweaters and jackets even on the first sunny fall days. It is much easier to remove an unneeded item than to put on something you do not have. Please leave a complete extra set of clothing at school (including socks and underwear). Remember to change the size/season around January or February. PLEASE LABEL ALL CLOTHING (extra clothing as well as jackets, snow pants, sweaters, boots, etc.) WITH YOUR CHILD'S NAME.

**Arrival and Dismissal Arrival:** (You will be notified if this procedure changes)

Each teacher will provide drop off/ pick up procedures to parents that are specific for their school. Parents will not be allowed into the building. All students will have their temperature checked with a touchless thermometer. If a child's temperature is 100.3 degrees or higher, the child will not be allowed to stay. After the temperature check, the preschool staff in cooperation with the parent will complete a short health assessment for each child. Once a child has completed the health check he/she will be asked to use hand sanitizer. It is important that the children arrive on time so they do not miss the beginning activities of the day. Dismissal is at 12:15 PM. Parents/ caregivers are expected to pick up their child/children at the appropriate time. Please wait in the designated area assigned by the teacher for dismissal of your children. Please send a note if your child is to go home with a friend or is being picked up by someone else. No child will be released without written authorization from a parent. Please notify your child's teacher in writing about car pool arrangements. Written permission, or, in an emergency, a phone call to the elementary office, is required if there is any change from the person(s) authorized to pick up a child as listed on the child's application form. Verbal messages from the child cannot be accepted.

**Non Joint Custody** the Pinckney Community Education office must have a copy of any custody documents. Until the program receives such documents either parent may pick up the child and add names to the emergency list. In the case of joint custody, either parent may include names on the

forms. Unless documentation is on file with the office, it is assumed that either parent may pick up the child.

**Transportation** Parents are responsible for providing transportation for their child.

**School Closings/Inclement Weather** The Preschool program follows the same calendar/guidelines as the Pinckney Community School system. In the event of unusual weather conditions, such as heavy snow or ice, which would cause the Pinckney Community Schools to close, the preschool program will also be closed. School closings will be announced on WHMI radio (93.5). If you would like to receive notifications of school closings complete this online form at this link:

[Preschool Snow Day Notification Form](#)

The link will be also be emailed to parents. If, in a parent's judgment, weather conditions represent a threat to the child's safety, the parents should keep their child at home. In the event of a temporary closure, our preschool staff will be prepared to continue with virtual lessons that support our preschool curriculum. Therefore, no reimbursements will be given.

**Field Trips** Field trips are designed to be a child-parent experience. You will be notified of field trips via written and/or verbal information from your child's teacher. We rely on parents to transport their children to all field trips. If you are not available to drive your child on a field trip day, we encourage you to make carpool arrangements with another parent in the program.

**Health Policy** The Preschool health policy is defined in order to protect the well child and promote the best environment for the sick child. Children in good health are expected to attend school each scheduled day. If a child shows obvious behavioral or dietary changes or symptoms, which could precede an illness, please consider keeping the child at home. Should a child exhibit any of the following symptoms within 24 hours before school, the child should remain at home: Fever (temperature of 100.3° or more), sore throat, diarrhea, nausea, vomiting, undiagnosed rash, ongoing cough, congestion, runny nose or eyes, excessively pink or red, irritated eyes (which might indicate conjunctivitis, commonly known as "pink eye"), head lice, or any contagious disease. The elementary school office is to be informed at once if the child contracts a communicable disease. Should you decide to keep your child home from preschool, please inform the office before the usual arrival time. Otherwise, please do so as soon as possible. Please refer to the guidelines below in determining when to allow your child to return to preschool.

### **Children may not return to school until...**

Chicken Pox: All scales are dry Impetigo Lesions have healed

Measles: Return is advised by a physician

Pink Eye: Recovery is complete

Scarlet Fever: Adequately treated and temperature is gone

**Mumps:** All swelling has disappeared or upon advice of a physician

**Strep Throat:** Adequately treated and temperature is gone

**Whooping cough:** Return is advised by a physician and coughing is completely gone

Discuss with the teacher any allergies, medical problems, and/or home life changes that may affect your child's behavior. A child who, due to a temporary health condition, cannot play outside should remain at home. Please let your child's teacher know if medication has been administered to your child before attending school. This will help teachers to monitor the child for any problems. Should a child become ill while at school, a parent or caregiver will be notified to come pick up the child. Among the symptoms we regard as serious enough to send a child home are: Diarrhea, vomiting, fever of 100.3° or higher, rash, pink eye, extreme tiredness, persistent cough, extreme congestion and/or other signs of a bad cold. By helping us observe these health standards, you will be protecting your child as well as the other children at the school. Thank you for your cooperation.

**Nutrition/Snack** Parents will provide snack and drink for their child. Preschool does not participate in the school food service program. Your child's teacher will give you details regarding appropriate snack options.

**Toy Policy** We ask that you leave your child's toys at home or in your car, except for comforting toys that are needed in the very opening days of school to help ease your child's transition from home to school. We cannot be responsible for any items brought to school. Classes may have special "Show & Tell" or "V.I.P." days where personal toys are allowed. Your child's teacher will give you additional information about this. **NO GUNS, WAR TOYS, SWORDS, OR OTHER TOYS OF DESTRUCTION ARE ALLOWED IN SCHOOL AT ANY TIME!** Gum, candy, and money should also be left at home.

**Birthdays** Each child's birthday is recognized in his/her classroom. You may schedule the date of your child's classroom celebration with the teacher.

**Emergencies** In the event of an emergency, the elementary school office will contact the parents immediately. If the parents cannot be reached, we will call the person listed on the emergency form. If no one can be reached, the child's pediatrician will be contacted and his/her instructions will be followed.

**Accidents** Occasionally accidents will occur either on the playground or in the classroom. Parents will be notified via phone, or if unavailable, a note will be sent home. Any questions or follow-up by the parents are to be directed to the teacher, assistant teacher, or the school office.

**Discipline and Behavior Management Policy** We believe in a positive approach to behavior management. The following is a list of methods used in day-to-day interactions with children:

We praise, reward, and encourage the children.

We reason with and set limits for the children.

We model appropriate behavior for the children.

We modify the classroom environment to attempt to prevent problems before they occur.

We listen to the children.

We provide alternatives for inappropriate behavior to the children.

We provide the children with natural and logical consequences of their behavior.

We treat the children as people and respect their needs, desires and feelings.

We ignore minor misbehavior.

We explain things to children on their level.

We use short supervised periods of "time-out".

We are consistent in our methods of behavior management.

**Suspected Child Abuse or Neglect Policy** The Pinckney Community Education Little Pirates Preschool program is mandated by Michigan Law, Act. No. 238, governing all schools and child care programs to report any suspected abuse or neglect of children in their care. Legally, all staff members have the responsibility of reporting any suspected cases of abuse. In the event that the abuse is suspected, we will notify the Department of Social Services and other agencies when necessary, and the parents or guardians where appropriate. All information will be treated confidentially at all times.

**State of Michigan Licensed Classroom** The preschool classrooms are Michigan State licensed. The center's licensing notebook is available to parents during regular business hours. The licensing notebook contains all the licensing inspections and reports. Licensing inspections and special reports from the past 2 years are available on the child care licensing website at [www.michigan.gov/michildcare](http://www.michigan.gov/michildcare).

Pinckney Community Schools does not discriminate on the basis of race, color, national origin, sex, age, disability, religion, height, weight, marital status or familial status in its programs and activities and provides equal access to the Boy Scouts and other designated youth groups. This policy shall prevail in all Board of Education policies concerning staff, students, educational programs and services, employment, and individuals and companies with whom the Board does business. The following person has been designated to handle inquiries regarding the District's non-discrimination policies: Basia Kiehler, Assistant Superintendent of Curriculum, Instruction, & Assessment, Title IX Coordinator 2130 East M-36, Pinckney, MI 48169 (810) 225-3900. Individuals may also, at any time, contact the U.S. Department of Education, Office of Civil Rights, 600 Superior Avenue, Room 750, Cleveland, OH 44114.
