Once posted, the Act requires the district to maintain the prior two budget years' financial information online until the end of the current budget year.

Waivers

The Act also requires that if the district has received a waiver of state law or regulation from the State Board of Education, the district shall post a list of waivers it has received. For each statutory waiver posted, the district shall post a copy of the plan that explains the manner in which the district will meet the intent of the waived statute. The district must then update its waiver list within 30 days after a waiver is revoked or a new waiver is granted.

NOTE: those reports with an asterisk (*) will no longer be required to be posted beginning July 1, 2017 because these statutory provisions are repealed.
