

JUMP INTO JUDSON!

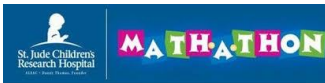

FAMILY EDITION

February 19, 2021

February Fun Fridays!

Judson's students continue to celebrate Fun Fridays in February! February 19th will be Red, White, and Blue Day (in honor of President's Day), and Twin Day on February 26th! Students and staff have really been into celebrating these fun days!

St. Jude Children's Research Hospital Math-A-Thon

Our Math-A-Thon is still going strong! The Judson community has already raised over \$8,000!! The best thing is....they are still going!

Ella Simmons, a 4th Grader at Judson has coordinated a Drive Through Hot Cocoa stand to raise more money for the kids at St. Jude! It will take place on Saturday, February 20th at Veteran's Park by the first softball field at parking entrance from 11 am- until 1 pm. Come by and get a hot cocoa and a store packaged snack for a \$1 donation!

In School Snow Day

On Friday, February 12, 2021, Judson students brought all their snow gear and had a great time playing with their classmates in the snow! While we tried to build snowmen, the consistency of the snow didn't cooperate (although Mrs. Gruettner's class kept working at it!). This didn't upset our students as they still had a wonderful time!

iReady Assessment

Our students began their iReady assessments this week. We are excited to analyze the important information this will provide us to best meet the needs of all our learners.

Upcoming Events
