Millions of job openings are waiting for you!  
**Why?**

- A high demand for **skilled workers**
- Looming retirements of older workers
- Booming growth in fields like Health Sciences and IT

CTE provides the **opportunity to explore a variety of fields now**, so you can **decide if you want to pursue** them in college or as a career later!

What's in it for **YOU**

**Get Certified**

**Certification gives you an edge!**

- ★ Offers proof of your skills
- ★ Increases your marketability—may lead to more job opportunities
- ★ May provide college credit

**Now Is the Time for CTE. Now Is the Time for G-W.**
