Educator Library Cards

for Joliet Area Educators

Welcome to Your Joliet Public Library Educator Card

Through a partnership with your school district, the Joliet Public Library is issuing library cards to educators. This card entitles you to:

- Check out materials for curriculum support in person at either Joliet Public Library location
- Share materials with students without financial risk
- Use our online resources, including databases and e-books
- Submit curriculum enrichment requests online
- Renew items and place holds through our online catalog
- Have materials sent directly to your school (District 86 and 204 only)
- Receive a teacher resources newsletter

Using Your Card

- You may use your Educator Card like a regular library card to check out, place holds and renew materials with just a few restrictions.
- Materials should be for classroom use, not personal use
- Cards can only be used at the Joliet Public Library
- You must check out at the desk

Requesting Materials

Choose Your Own Items

You are welcome to come in and use your educator card at either location of the Joliet Public Library. The staff will be happy to assist you in finding great materials for your classroom and you can check them out the same day.

You can place holds on specific items through our library catalog at www.jolietlibrary.org using your library barcode and PIN. Your default PIN is the last 4 digits of your barcode. Please allow a minimum of three days for items to be shipped to the Joliet Public Library.

If you plan to pick up your held items yourself when they become available, choose either the Joliet Public Library--Ottawa Street Branch or the Joliet Public Library--Black Road Branch in the dropdown pick-up location menu.

If you would like your items sent to your school (District 86 and District 204 only), choose Joliet Public Library--Outreach as your pick-up location and we will send the materials on to your school. Please allow 3-7 extra days for materials to be shipped through this method.

Placing a Curriculum Enrichment Request:

Give us a topic and we will gather materials (books, movies and kits in both fiction and non-fiction) for your students. Find the form online at jolietlibrary.org/educators or give us a call at 815-740-2662. You can pick up items at either library location or ask to have them sent to your school (District 86 and District 204 only).
