

**RICHMOND-BURTON COMMUNITY HIGH SCHOOL DISTRICT 157
USE OF FUNDS**

American Rescue Plan (ARP)

ESSER I: CARES Act

In March 2020, Congress set aside approximately \$13.2 billion allotted to the Education Stabilization Fund through the Coronavirus Aid Relief, and Economic Security (CARES) Act for the Elementary and Secondary School Emergency Relief Fund (ESSER) Fund. The Department awarded these grants to State Educational Agencies (SEAs) for the purpose of providing local educational agencies (LEAs) / School Districts with emergency relief funds to address the impact of COVID-19 on elementary and secondary schools across the Nation.

Richmond-Burton Community High School District 157 believes that in order to support the educational needs of all students, it is important to ensure a safe environment in which students can learn. Therefore, we feel it is imperative to have the necessary supplies and procedures to ensure student and staff safety for all facets of the educational process. The majority of CARES Act funds RBCHS D157 will be used for prevention; preparedness; and responsiveness services to the threat of COVID-19.

ESSER III: ARP Act

In March 2021, the American Rescue Plan (ARP) Act was signed into law. It was an unprecedented \$1.9 trillion package of assistance measures, including \$122 billion for the ARP Elementary and Secondary School Emergency Relief (ARP ESSER) Fund. Funds are provided to SEAs and LEAs to help safely reopen and sustain the same operation of schools and address the impact of the coronavirus pandemic on the Nation's students. ARP ESSER Fund awards to SEAs are in the same proportion as each State received funds under Part A of Title I of the Elementary and Secondary Education Act of 1965, as amended, in fiscal year 2020.

The purpose of ESSER III is to provide support to school districts around the country in addressing the impact of COVID-19 on students' academic, social, emotional and mental health needs.

Richmond-Burton Community High School District 157 has developed a plan (which included input from the Joint District Stakeholder Committee) to utilize ESSER III funds to support the "safe return to in-person learning and continuity of services for the purpose of promoting transparency and accountability for funds usage by the District."
