Black History Month

- An important part of any culture is food. Many times when talking about food and Black culture, people think of soul food.
- Soul food is only a small part of Black culture.

Mental Health Moments

Self-Monitoring

- This upcoming week's video will focus on time management. To watch the video, click on the picture on this link: <https://5il.co/pqal>
- As always, if you have a concern regarding your child's mental health, please do not hesitate to contact their school counselor.

Attention 7th & 8th Grade Parents

Our 7th and 8th grade students will take part in a health survey on March 17th. The survey asks important questions about students' experiences with drugs and alcohol and how they feel about their school and community. The results will help us understand how to keep kids safe, healthy, drug-free, and resilient. The entire process is virtual! Students will take the survey in person or remotely from home (or a combination of both). All of the information collected will be kept anonymous and private. Grade 7 and 8 parents, you should have received an email about the survey last week. Please review the email (click [here](#) to reread it) and complete the consent form. Your child will receive a \$5 gift card, whether you say yes or no.

Picture Days are Coming!

- School pictures will be taken on Tuesday February 23rd and March 2nd.
- For information on how to order pictures click [here](#).
- **All Remote Students** will take their pictures on February 23 or March 2nd from 2:45pm-5:00pm. Appointments will have to be made by signing up [here](#). Before coming into the building, a Wellness Form will need to be completed. The form can be found [here](#). Temperatures will also be checked before the students enter the building.
- Some time slots have become available. We are also looking to add more. As soon as we hear back from the photographer, I will send out the information.
- If your child is hybrid and you made an appointment, please remove it so all-remote students have an opportunity to sign up. Hybrid students will be taking pictures during their Physical Education or Health classes.

Internet/ Power Outages

- This snowstorm has led to several power and internet outages. If you lose or have lost internet or power during the school day while your child is learning remotely, please contact their teacher to let them know.

Virtual Parent Workshops

- The district is excited to hold 2 parent workshops this coming week- GoGuardian Parent App and Google Classroom, Drive, Meet, & Zoom
- For more information click [here](#).
