Dear NTCC Students and Families:

We are excited to announce that ***PS Bank is once again sponsoring a K-12 Career & Technology Scholarship for students in all NTCC Programs of Study for the 2022-2023 school year!*** In the past three years, NTCC students received more than **\$225,000** in program materials.

- This scholarship provides recipients with supplies associated with successful participation in the Program of Study and transition into their chosen career fields, including tools, equipment, uniforms, safety gear, and industry certifications. Items vary by program and examples include steel toe boots, mechanic tool sets, cosmetology kits, stethoscopes and scrubs, chef's hats and jackets, and program-specific tools. Students will receive the items, not a monetary award.
- Families with an adjusted gross income up to \$96,600 plus \$17,000 for each dependent listed on the 1040 tax return may be eligible. Example: A family with 2 children may qualify with an adjusted gross income up to \$130,600.
- Please see the attached application information. New and returning students must apply to be eligible for this year's scholarship.
- Even if you received the scholarship last year, you **MUST** apply again to be considered.
- **You can apply now!** Applications will be processed on a first come, first served basis. If you plan to apply for the scholarship, you may delay purchasing program materials until you know whether you've received it.
- The deadline for 2022 applications is **Friday, September 9th**.

For questions related to the application process or if you have special circumstances to be considered, please contact:
