March 28, 2023

Dear Parent/Guardian:

The Northern Tier Career Center will be administering the NOCTI performance evaluations and written/online assessments April 19th-21st, 2023.

Seniors who are nearing the end of their career and technical education program will complete a hands-on performance evaluation and a written/online knowledge assessment. An overview of the evaluation can be found online at www.nocti.org. Students who score above a state determined cut score on both sections of the test will receive a Pennsylvania Skills Certificate, signed by the Governor.

Please see the schedule on the back for each program's written/online assessment and performance evaluation dates. The written/online test is administered during the students' regularly scheduled time at the Northern Tier Career Center and make-up sessions will be scheduled for April 24th-28th, in the event of an absence.

However, the performance evaluation requires participating seniors to be at NTCC for the entire school day. Students need to arrive at NTCC by 8:30 am and will be dismissed at the conclusion of their assessment. Please note that because student performance is evaluated by industry professionals who volunteer their time, they are scheduled for one day only and there are no opportunities for make-ups. Lunch will be provided to the students free of charge.

Students and parents are responsible for student transportation NOCTI performance test days, therefore, a driver/passenger permission form is not required.

We look forward to this opportunity for our students to demonstrate their knowledge and skills in their chosen programs of study. If you have any questions related to the NOCTI assessments, please feel free to contact me.

Sincerely,

Jennifer Farley

Administrator of Educational Services

NOCTI Site Coordinator

The Northern Tier Career Center is an equal opportunity education institution and will not discriminate on the basis of race, color, national origin, sex or handicap in its activities, programs or employment practices as required by Title VI and IX and Section 504.
