

1/25/21

Dear Students and Families,

Trumbull Career & Technical Center (TCTC) is committed to the safety and health of our students and staff. We want to inform you that we have recently received information about a confirmed case of COVID-19 in a student or staff person at the TCTC. We are confident that safety protocols have helped to mitigate any close contacts. Should a student or staff member be identified as a close contact, they will be contacted through a separate outreach by our School Nurse.

We have taken several steps to slow the spread of COVID-19 in our school:

- Sanitizer stations are available throughout the building.
- Students and staff have ample opportunities to wash their hands throughout the day.
- We regularly clean and disinfect frequently touched objects and surfaces.
- Students and staff are required to wear face coverings at all times throughout the building.
- Program labs follow PPE industry standards.
- Our flexible learning plan allows for smaller classes, and our program labs maintain social distancing when possible.

How you can help:

- Stay home when you are sick.
- Wear a face covering in public places and around people who don't live with you.
- Avoid unnecessary gatherings with people who don't live in your home.
- Avoid sharing food, drinks, or utensils.
- Wash your hands often with soap and water for at least 20 seconds. If soap and water are not available, use hand sanitizers with at least 60% alcohol.
- Cover coughs and sneezes with a tissue, and then dispose of the tissue and wash your hands immediately. If you do not have a tissue, use your sleeve, not your hands, to cover coughs and sneezes.
- Regularly clean and disinfect frequently touched objects and surfaces using household cleaning spray or wipes.

Thank you for helping to keep people safe and to slow the spread of COVID-19 in our community and school. For answers to your COVID-19 questions, call 1-833-4-ASK-ODH (1-833-427-5634) or visit coronavirus.ohio.gov.

Your mental health is just as important as your physical health. If you or a loved one are experiencing anxiety related to the coronavirus pandemic, contact the COVID-19 CareLine at 1-800-720-9616.

Sincerely,

Jason Gray
Superintendent
