To the Nippersink School District Family,

It is my absolute pleasure to introduce Mr. Brandon Creason as the next Principal of Nippersink Middle School.

Mr. Creason was selected from a pool of highly qualified candidates. Following the initial screening process, interviews were conducted by a team that included district and building administrators, teachers, staff, and members of the Board of Education. At the conclusion of those interviews, it was clear Mr. Creason possesses the qualities consistent with an effective and innovative leadership style that will support the Mission of District 2

Mr. Creason comes to Nippersink SD 2 from Richmond-Burton CHS where he has worked for the last 14 years. During his time at Richmond-Burton, Mr. Creason taught social studies, coached boys basketball and girls golf. During this past school year, Mr. Creason also assisted the administrative team as the Dean of Students. Prior to working at Richmond-Burton, Mr. Creason taught history and coached basketball in both the Ottawa and Streator school districts.

Mr. Creason earned his Bachelors of Science in History and English and a Masters degree in Educational Administration from Western Illinois University. While attending Western Illinois University, Mr. Creason was a member of their Division 1 men's basketball team.

Mr. Creason is looking forward to collaborating with staff to cultivate a positive school culture that is focused on supporting the educational and social-emotional needs of each student.

Sincerely,

Tom Lind
