Bryan Starr

Dear Harrisburg Community,

More of our students have returned to in-person learning, which means they are walking, riding in cars or riding bikes to school in the morning and afternoon. As parents drop their children off in front of the elementary and middle schools, please be aware of the increased traffic and pedestrians. Our crosswalks are very busy before and after school, so please be patient and drive slow. Plan for a little more congestion around the schools between 8 am – 8:45 a.m. and 2:25 p.m. – 3 p.m. We appreciate your support as we safely bring our students back to a full day of in person learning.

\* The middle school will have additional traffic between cohorts – a.m. cohort release time 11:05 and p.m. cohort arrival time 11:45-12.

- **Make a difference for schools every time you shop** – Use the Box Tops app to scan your store receipt, find participating products and instantly add cash to your school’s earnings online.
  - **Harrisburg Middle School's Yearbook Program needs your help!** Due to the nature of this school year, getting photos is difficult. Below is a link to a Google Form, please take a look at the different categories to see what types of photos we are looking for. Any photos that you wish to contribute would be so helpful in creating a Yearbook that will serve as a lasting memory for our 5th - 8th grade students. Please contact Miss. Rivas if you have any questions at [elizabeth.rivas@harrisburg.k12.or.us](mailto:elizabeth.rivas@harrisburg.k12.or.us) .
  - **Lifetouch + Shutterfly** have come together to make sure your k-12 school pictures collection is not compromised. This year only, through the convenience of the Shutterfly app, you can capture a quick snap, add your favorite Lifetouch background and order a picture package all while @home! The link is listed below.
  - **USDA passed a nationwide SFSP extension in October, free school lunches will continue until the end of June!**
