Re: Alleged Security Threat

Dear Reed City Families:

At approximately 12:15p.m., on Tuesday, February 23, 2021, school administrators became aware of an alleged bomb threat at the middle school. The middle school and high school were immediately put into secure mode with all staff and students sheltering in place. When law enforcement arrived on scene the situation was assessed and decisions were made to ensure that students and staff were relocated from potential areas of danger.

Visual inspection of rooms and lockers was made by school administrators and law enforcement. Subsequently, a trained dog with the Michigan State Police swept the building to ensure no threat remained.

The safety drills and training provided to students and staff at RCAPS assisted in a quick and precise reaction to the threat. The safety of students and staff is always the primary concern of Reed City Area Public Schools.

Sincerely,

Michael L. Sweet
Superintendent
