Compensatory Time and Overtime/Classified Employees

Classified employees who work more than forty (40) hours in a given work week may receive overtime pay of one and one-half (1 1/2) times the normal hourly rate unless the District and the employee agree to the provisions of compensation time at a rate of one and one-half (1 1/2) times all hours worked in excess of forty (40) hours in any work week. No overtime is authorized for any classified employee without the specific approval of the Superintendent, except as the Superintendent shall otherwise prescribe.

A classified employee may not volunteer work time in an assignment similar to his or her regular work without pay.

A non-exempt employee who works overtime without authorization may be subject to disciplinary action.

NOTE: Please be advised that comp time is not required. If a district adopts a comp time policy, there are basically two (2) types of employees: 1) Those who are covered before the policy was adopted need to be treated on a case-by-case basis, and the agreement to allow comp time must be entered into before the work is performed. 2) Those hired after the policy is in place. Some experts have said comp time is a credit card, not a savings account. The employee has broad latitude to decide when the time will be taken.
