

# Rockets Transportation Permission Slip

Happy Camp Elementary School provides a transportation service for students that attend the after school program. Transportation is provided with school vans by our Rockets personnel. This service was created to assist families and students who live in outlying areas of our school district, such as Elk Creek, Buckhorn, Curly Jack, Live Oak, Indian Creek, Georgia Flatt, and Anglers. If you would like your student to receive this service, fill out the bottom portion of this permission slip and return it to the school by March 5th. There are only ten (10) spots available and this service is based on First Come, First Served.

Transportation services will begin on March 8th, 2021. The van will be doing 2 runs leaving the school at 4:15 and 4:40 pm. Once we have students signed up, a designated route can be created. Please remember, parent/guardians for 3rd and below must be at the designated stop when student(s) are being dropped off. The address/location that you list on this form will become the designated spot for your student to be dropped off. In the event that a parent/guardian is not at the van stop, students will be brought back to the school and an emergency contact will be called.

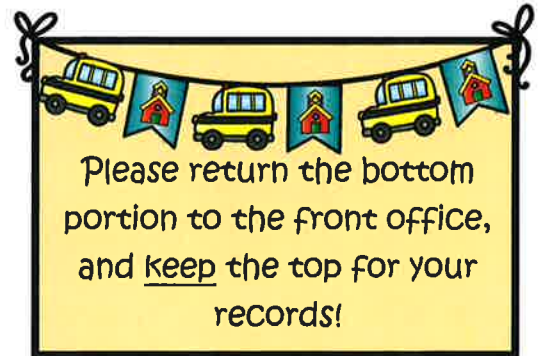

*Once your student is signed up, it is important that they use the service on a regular basis. If your student is not consistently using the van, we will fill their spot with another student, and you will then be required to come pick them up from Rockets.*

If you have any questions, feel free to call the school at (530) 493-2267, the Rockets' cell at (530) 598-8417 or email me at [tduval@happycamp.k12.ca.us](mailto:tduval@happycamp.k12.ca.us).

Thank you,

Tina Duval

HCES After School Coordinator
