

Safeway Transportation is committed to providing safe and reliable transportation for Park Forest District 163.

*Your child's safety is our number one priority!*

Safeway has been a family run transportation business for over 25 years. We take pride in our safety and security measures which ensure a safe journey for all students. We make certain that every driver meets all state driving requirements and is put through rigorous driving tests before being certified to drive a Safeway vehicle.

We understand that change can make people nervous, especially when it involves your student. Rest assured that we are dedicated to making this transportation change a smooth transition for the schools, the parents and the students.

Your Matteson Safeway Team is excited for the opportunity to serve the Park Forest District. We are looking forward to exceeding all your expectations for your students' transportation needs.

Thank you for your support and please don't hesitate to contact the Matteson Team if you have any concerns or questions. Our office number is [708-552-1026](tel:708-552-1026). Let's have a great school year!

Sincerely,

Kristie Guido
