

# SCHOOL BUS NEWS!

## *Welcome to the First Day of School!*

Bus route information is now available in Skyward. Please check your student's bus stop information as it may have changed from the previous school year. Please be at your morning bus stop 10 minutes before your scheduled pickup time.

We continue to encourage parents of young children to be present with their students at their designated school bus stop.

This would be a great opportunity to meet the driver who will be transporting your children to and from school on a daily basis.

If your student is assigned a bus route/stop and you do not want school district supplied transportation, please contact the transportation department as soon as possible @ [sgordon@sd163.com](mailto:sgordon@sd163.com) or 708-668-9425

We welcome our new bus company, Safeway Transportation, and their drivers to District 163.
