February 24, 2021

Dear North Little Rock School District Parents and Caregivers,

Before the start of this school year, the North Little Rock Board of Education voted to waive the school uniform policy for students in kindergarten through eighth grade. The vote, proposed by leaders in the district, was our way of helping families financially in the wake of a global pandemic. By waiving the policy for the 2020-2021 school year, parents and students could focus solely on preparing for the school year and its unforeseen challenges and not have to worry about the shopping that takes place to secure new uniform clothing.

As we prepare for the 2021-2022 school year, we are seeking input from parents about the future of school uniforms in the North Little Rock School District. Please take a few minutes to complete the short survey found below. We will use the results to present to the North Little Rock Board of Education next month.

**The parent survey will close on Tuesday, March 2, 2021. To access the survey, [click on this link](#).**

School leaders will be presenting a similar survey to our students in fourth through seventh grades to get their input as well. Their results will also be shared with the North Little Rock Board of Education next month.

We will keep you informed of the decision. Thank you for being a part of the North Little Rock School District.

Sincerely,

Gregory J. Pilewski, Ed.D.  
Superintendent
