

Good Morning,

I wanted to give everyone an update regarding the plans for our modified prom that is scheduled for April 24th. We will be able to do a modified prom that will include a Grand March and a Banquet. Due to the health and safety requirements we are under, a dance will not be possible and only current MCC students will be able to attend. Our juniors and seniors voted not to have a post-prom this year as the health and safety guidance would not allow for all the same type of activities as we have had in the past. Our post-prom parents are still planning on doing gifts and prizes for the prom attendees. Our Jr./Sr. Advisors are working hard to iron out the details of this modified prom and more information will be forth coming. We are happy that we will be able to give the students this experience but know that it will look different from normal years. Thank you for your understanding.

Jake Scandrett- HS Principal
