

Residence Requirements for School Enrollments

No student will be permitted to attend the schools of the Keppel Union District unless the student is a resident of the area served by the school district and is able to furnish a permanent address within the district's boundaries or has a special permit to attend the school.

The following may be submitted but do not necessarily constitute sufficient proof of residence or that a pupil is within the boundaries of the school district: (1) rent receipts, (2) utility bills addressed to an address within the district, (3) voter registration certificate, (4) driver's license, (5) vehicle registration, or (6) tax receipts.
