Principal's Message

Welcome to our school. Newman-Crows Landing Independent Study is a typical IS program school. We offer our students the opportunity to succeed academically, as well as being able to work through medical or other strenuous family situations.

Newman-Crows Landing Independent Study implements a curriculum that is focused on English, Math, Science, and Social Studies. We also offer elective courses that can be taken in conjunction with core classes through Fuel Education.

Our 2020-2021 high school enrollment consists of 0 students. The ethnic demographics include 0% Hispanic, 0% Caucasian, & 0% Filipino. All of our students receive free lunch.

Fuel Education is offered to our students to supplement any class our program does not offer. This Internet based program gives us the freedom to design the curriculum for each individual student and for students to work at their own pace. OUR goal is to give our student's a standards based education and help them to become successful.

With our small case loads for teachers, students who may not have had the opportunity to make decisions in the District's traditional, much larger schools, have a voice in the decisions made at Newman-Crows Landing Independent Study.

Staff and administration is committed to delivering the curriculum and guidance to encourage student success. We take pride in creating opportunity for students to succeed academically and developing into productive members of society. Each student should leave as an:

*Effective Communicators who will use verbal, written, artistic and technological forms of communication to give, send, and receive information.

*Inspired Learners who are accountable for demonstrating, assessing, and directing their present and life-long intellectual growth.

*Productive Workers who perform collaboratively and independently to create quality products and services that reflect personal pride and responsibility.

*Responsible Citizens who have a global and multi-cultural perspective, and who take the initiative for improving the quality of life for self and others.

*Resourceful Thinkers who independently and creatively strive to solve complex problems through reflection, risk taking, and critical evaluation.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

School Facility Conditions and Planned Improvements (Most Recent Year)

To determine the condition of our facilities, our district sent experts from our facilities team to perform an inspection using a survey called the Facilities Inspection Tool, which is issued by the Office of Public School Construction.

Based on that survey, we've answered the questions you see on this report. Please note that the information reflects the condition of our buildings as of the date of the report. Since that time, those conditions may have changed.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

ELA	N/A	N/A	40.36%	N/A	51.10%	N/A
Math	N/A	N/A	24.77%	N/A	39.73%	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

We invite all of our parents to get involved. Call 209-862-2309 for your opportunity to be a part of your child's education.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

Our site has a comprehensive school site plan. It is available upon request.

Our safety plan was updated on 9/03/2020.

Suspensions	0.0	4.45	2.5
Expulsions	0.0	0.1	0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Number of school days dedicated to Staff Development and Continuous Improvement	3	3	3

Teachers take some time each year to improve their teaching skills and to extend their knowledge of the subjects they teach. Here you'll see the amount of time we set aside for the past three years for their continuing education and professional development. Teachers have worked to implement our online program of Fuel Education. Teachers have worked collaboratively to create classes that will suit all students at Alternative Education. Teachers are encouraged to attend district professional development that is offered throughout the school year. Teachers have enjoyed the district offering of Tech it up Tuesday's. It is also a district focus that we continue to work with the International Center for Leadership to build effective teaching throughout the district. We will continue to implement the Rigor, Relevance, Relationship framework.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
