Health (9 wks.)
Keyboarding (9 wks.)

WELCOME TO THE CLASS OF 2030!

If you picked Group C, now choose TWO of these:

- ___ Tech Ed (9 wks.) Explore 3D printing, laser engraving, Tinkercad, and coding, as well as engineering and construction - also known as “shop.”
___ Coding (9 wks.) Create images, animations, and interactive art and games, while learning how to design, test, and debug programs.
___ Career & Technical Education (CTE) (9 wks.) Explore mechanical systems, energy transfer, machine automation, and computer control systems through hands-on learning.

Please note:

- > Band and Chorus students will be able to take Tech Ed, Coding, and CTE in 7th and 8th grade.
- > Your related arts will not be in the exact order as listed above.
- > Students who are in Band or Chorus can sign up for Viking Voices in the fall. Viking Voices practices one day after school.
- > Your iReady scores may place you in a Reading or Math Support class instead of lab or related arts.
