### A Message from Dr. Landgraf

I would like to take a moment to thank School Board Member, Stacy Steele for her dedication to Millstadt School District #160 and for serving as a board member from 2017-2021. Mrs. Steele and all of the school board members donate their time to serve the community, as well as lead and support the District. Board members place their focus on helping the District through school policy and ensuring the school represents the values of the community. I encourage you to vote in the upcoming April 6<sup>th</sup> election. The following individuals are running for school board:

Don Pellmann

Kurt Muskopf

Stacey Sommerfield

Scott Hilpert (write-in)

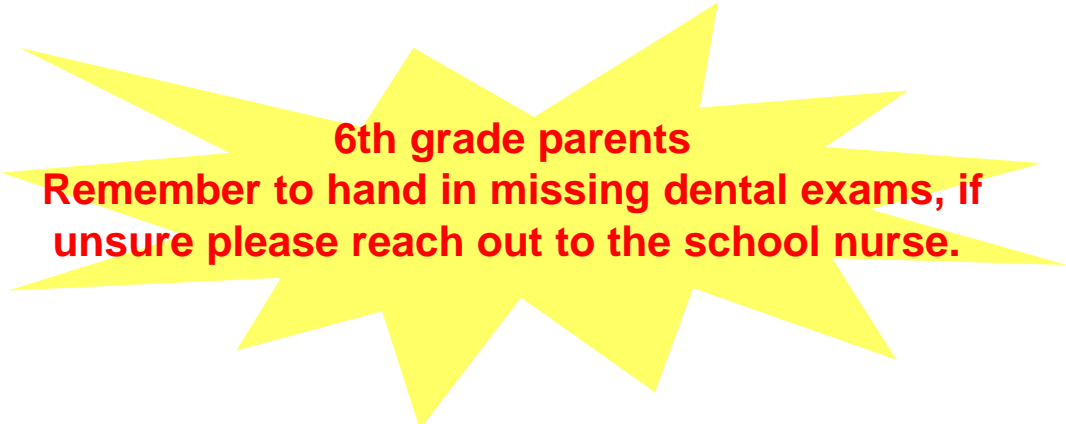

While everyone is certainly looking forward to spring, we are starting to focus on next year. At the recent school board meeting, the 2021-2022 school calendar was approved. For your early planning purposes, August 16-17 will be Teacher Institute days with August 18 being the first day of school for students.

## IAR Testing

You can help your child do their best on the tests this month by:

- Making sure, if possible, that your child attends school on the days of testing
- Making sure your child gets a good night's sleep the night before testing
- Providing breakfast on the mornings of testing
- Reminding your child to ask questions if they do not understand the test directions
- Letting your child know that you have confidence in their ability to do their very best
- Advising your child not to worry about the test, just do the best they can.

**\*Check our school calendar on our website to see exactly when your student will be testing.**

## **February Student of the Month, Jada Casto!**

Our February Student of the Month is Jada Casto, daughter of Bill Casto and Staci Casto. At school Aidan participates in band, jazz band, chorus, Beta Club and the Spelling Bee. Outside of school she likes riding bikes, four wheeling, riding horses, swimming, hiking and reading. After MCS she hopes to attend college to become an engineer, lawyer or physical therapist.

Congratulations, Jada!

In honor of Earth Day 2021, we are planning our annual fundraising event. Each classroom will collect donations for the Earth Day Project throughout the month of March.

Following our fundraiser ~ we will have a district-wide Earth Day Planting Day in April.

Students will have an opportunity to plant and care for the landscaping.

Plants, soil and landscaping materials will be purchased from the fundraising project.

The classroom raising the most donations will win an ice cream sundae certificate for each student from Happy Days.

Encourage your children to keep America beautiful!

22<sup>nd</sup> April  
**EARTH DAY**  
*Small action - Big meaning*

*Please encourage your child to be aware of the importance of respecting the landscaping on our school campus by putting paper and snack wrappers in trash cans so our school grounds remain beautiful.*

The Panther Place is offering a Summer Childcare Program

For grades

Pre-k through 4<sup>th</sup>

The program will Open for the summer on
