February 28, 2021

Dear Staff, Students, and Families,

This letter is to inform you that two individuals associated with Hartford-Sumner Elementary School tested positive for Coronavirus Disease 2019 (COVID-19). We learned of this news late this afternoon. Out of an abundance of caution, the decision has been made to transition Hartford-Sumner Elementary School to Fully Remote Learning for all students through Wednesday, March 3, 2021.

A school representative has contacted all students and staff who were identified as a close contact of someone who tested positive. Close contacts will be asked to quarantine for 10 days from last exposure to the positive individual. A negative test result does not get an individual out of quarantine.

COVID-19 is a respiratory illness that ranges from mild to severe. It can be more severe in adults 60 years and older and in those with underlying conditions. The virus mainly spreads when an infected person coughs or sneezes and an uninfected person breathes in the virus. Signs and symptoms include:

- fever or chills
- shortness of breath or difficulty breathing
- muscle or body aches
- new loss of taste or smell
- congestion or runny nose
- diarrhea
- cough
- fatigue
- headache
- sore throat
- nausea or vomiting

Please keep in mind that many things can cause respiratory illness, so students and staff should be up-to-date on influenza and routine vaccinations.

Maine CDC recommends prevention measures to prevent the spread of COVID-19. These measures include proper hand washing with soap and warm water, which is especially important after using the bathroom, before eating, and after blowing your nose, coughing, or sneezing. When soap and water is not available, use an alcohol-based hand sanitizer with at least 60 percent alcohol. Avoid touching your eyes, nose, and mouth with unwashed hands and avoid

close contact with people who are sick. Cover your cough or sneeze into a tissue, then throw the tissue in the trash. Clean and disinfect frequently touched objects and surfaces using a regular household cleaning spray or wipe.

Questions for the school can be directed to our school nurses, Lee Berry (388-2681) or Barbara Gould (336-2151). For general COVID-19 questions, dial 211 (or 1-866-811-5695). You can also text your ZIP code to 898-211 or email [info@211maine.org](mailto:info@211maine.org). Call a health care provider for questions about your symptoms. More information can be found at [www.maine.gov/dhhs/coronavirus](http://www.maine.gov/dhhs/coronavirus) or [www.cdc.gov/coronavirus](http://www.cdc.gov/coronavirus).

Sincerely,

Alan Cayer, Acting Principal
