Established Charter School Looking For An Innovative Leader

Are you looking to lead an established Charter school community serving approximately 7,200 students, 400 employees, and three unique academies (Home School, Independent Study, and University Prep)? After 15 years of exemplary leadership at Visions In Education, Dr. Jody Graf recently retired, creating a great opportunity for its next leader. The organization is actively seeking an experienced, knowledgeable, collaborative, and forward-thinking educator to advance the Mission and Vision of the organization.

Serving alongside Visions' Board of Directors and an exceptional leadership team, the new Superintendent will provide collaborative guidance and leadership while supporting students, staff and families. The Superintendent will effectively address challenges related to COVID-19, Anti-Charter Legislation, Charter Renewal and Managed Growth.

Visions is committed to building and sustaining an equitable and inclusive educational and workplace environment where cultural diversity is celebrated and valued.

Visions offers a generous benefits package that includes CalSTRS/CalPERS retirement and 100% employer paid Medical/Dental/Vision (single) for full-time staff. The Superintendent is assigned to Visions' Sacramento-based office in Carmichael, CA.

Desired Experience/Education:

- Experience in student-focused leadership within a diverse learning community
- Proven experience in District-level management; Charter School experience preferred
- Successful K-12 teaching experience; California preferred
