Date: March 2, 2021

Parents,

We are soon approaching the last quarter of the school year. The end of the 3rd quarter is March 5, 2021. The great news for the region is we have seen a significant decline in the test positivity rate and the number of quarantined students. Below is information important to all parents of Galatia Students.

1. If any student wants to return to in-person learning, they need to notify the school and sign the form declaring you will be coming back to in-person learning by the end of the day on March 5, 2021. Those students may return to in-person learning on March 8, 2021. The form can be found using the following link: <https://5il.co/ibmy>
2. If students still elect to remote learn, please remember those students will not be allowed to attend dances, participate in athletics, etc.
3. **GALATIA GRADE SCHOOL & PRE K ONLY** will be returning to a five day a week, in-person learning schedule. The grade school doors will open at 7:45am and students will be dismissed between 1:40pm- 2:00pm like our current schedule, we will just add Friday back in. We are able to do this because of the number of students who have returned to in-person learning.
4. Galatia High School and Junior High School will stay on the current schedule we have now. The number of students still on remote learning is significant.
5. The last day for student attendance is May 21, 2021.
6. Jr High Graduation will be at 6:00pm on May 21, 2021. High School graduation will be at 7:00pm on May 21, 2021. Location and details will be announced at a later date.
7. Galatia High School will host a spring dance in mid-late April. Class of 2020 graduates are also welcome to attend. Details will be announced at a later date.
8. Please watch for information concerning potential summer school and credit recovery.
