

eWallet: A Safe, Cashless Way to Shop the Fair

Family and friends can contribute too!

Scholastic Book Fairs' digital payment option is a safe, convenient alternative to cash, offered with all our flexible Book Fair options.

It's easy to create a eWallet for your student. Simply add funds or invite family and friends to contribute. Then, shop in-person at the Book Fair or online through the [Virtual Book Fair](#) where you'll discover over 6,000 products including exclusives, new releases, and value packs.

After the Fair, any remaining eWallet funds display as a gift card balance at checkout in The Scholastic Store Online. Be sure to sign in with the same email used to create the eWallet. Vi

Why Book Fair Organizers and Families Love eWallet

- Safe, cashless way for students to shop for their own books
- Free (and easy!) to set up an account
- Funds are immediately available for use at the Book Fair
- Secure, contactless check-out

Find your school's Book Fair Homepage at [scholastic.com/fair](https://www.scholastic.com/fair) to get started!
