DECLARATION OF INTENT

I would like to declare my intent to participate in the College Credit Plus program. I understand that signing this form does not require that I participate during the upcoming school year, and I may decide not to participate without consequence.

I also understand that it is my responsibility to notify my school if I do not gain admission to my selected institution of higher education or choose not to participate in the program.

In addition, I certify that I have received counseling about the College Credit Plus program concerning the rules and regulations for both my school and the college, and that I understand my responsibilities, the benefits and possible risks of participating in the College Credit Plus program.

Please sign and return this form to the secondary school by April 1. If you unable to sign this form digitally, please print it and sign the paper copy. Please check with your school counselor to see if you need to submit this form to them electronically or as a printed document.

OPTION ELECTION FOR 2021-2022

For the 2021-2022 school year, select the payment option for the student's course(s).

- ☐ **OPTION A:** The student/family will be financially responsible for all tuition and the cost of all textbooks, materials, and fees associated with the College Credit Plus course.
 - ☐ The student must inform the secondary school whether the student wants to receive college credit only or high school and college credit.
- ☐ **OPTION B:** The state of Ohio is financially responsible for the eligible course(s) in which the student chooses to enroll.
 - ☐ If Option B is selected, the funding for the course will be deducted from the secondary school and redirected to the college.
 - ☐ The student will receive high school and college credit.
- ☐ **COMBINATION OF OPTIONS A & B:** Student/family chooses to be responsible for all tuition, textbooks, materials, and fees for one or more courses. If this option is chosen, the student must inform the college which course(s) will be under Option A and which will be under option B.

Please consult with your school counselor for more information and to choose the option(s) that best suits your College Credit Plus endeavors. Your selection of Option A or Option B is tentative on this form. You must confirm your selection by your college's no-fault withdrawal date. You must also inform your high school of your final selection.

[illegible]

Please sign below indicating your knowledge of these important risks and conditions of the West Liberty-Salem High School College Credit Plus Program:

- (1) I understand the consequences of failing or not completing a college course that I register for. A final grade of F or W/D (late term withdrawal) will be reflected on my high school transcript. I will also be responsible for reimbursement for full tuition, books and any additional fees of the failed or dropped class back to WL-S Schools.
- (2) I understand that the textbooks are the property of WL-S Schools (excluding students attending Urbana University). At the completion of the semester I will return all books back to WL-S. Failure to do so will result in a full cost reimbursement back to WL-S Schools.
- (3) I understand that I must complete my scheduled high school courses regardless of my collegiate schedule.
- (4) I understand that WL-S High School cannot work around the college schedule at all times.
- (5) I understand that I am starting my college transcript by taking part in the College Credit Plus Program and that the grades I earn will follow me to any post-secondary institution.
- (6) I understand that not all classes and accompanying credit may transfer to the post-secondary institution I choose to attend in the future. It is my responsibility to consult with the college to identify how my credits will transfer.
- (7) I understand that I must still complete the state of Ohio End-of-Course exams as required for graduation in core subjects of English and Math regardless of meeting core class requirements by collegiate courses. My course grades in collegiate classes that fulfill my Government, History and Biology core requirements will be used to calculate points for End-Of-Course exams.
- (8) I understand that I must fulfill all high school graduation requirements and that my collegiate classes may not meet these requirements. It is my responsibility to consult with my high school counselor regarding what requirements my collegiate courses fulfill.
